AMP SoCal Webinar Series: Episode 6
September 21, 2017 10:00 a.m. – 10:30 a.m.

About AMP SoCal

- The Advanced Manufacturing Partnership for Southern California (AMP SoCal) is a collaboration of more than 135 different organizations.

- Its goal is to strengthen the industrial ecosystem for aerospace and defense manufacturers.

- AMP SoCal is led by the University of Southern California (USC) Sol Price School of Public Policy - USC Center for Economic Development.

- AMP SoCal supports the aerospace and defense manufacturing industry within the 10-county Southern California region.

AMP SoCAL

Logistics

- All audio will stream through your computer speakers.
- Please submit your questions anytime throughout the presentation in the chat box, located on the bottom of your screen.
- Webinar recording and slides are posted within one week of the event.
